SECTION 2 – ACCESSING & INSTALLING PC-ACE PRO32

Note: PC-ACE Pro32 will NOT be supported if it is installed in a network environment.

The following step-by-step instructions will walk you through accessing and installing PC-ACE Pro32 to your personal computer.

Accessing PC-ACE Pro32 from the Palmetto GBA Website

To download the PC-ACE Pro32 software, you will need to complete the online PC-ACE Pro32 Software Download Request form.

1. Open Internet Explorer and access the PC-ACE Pro32 Software Download Request form at www.PalmettoGBA.com/medicare
 - a. From the menu on the left of the page, choose the appropriate line of business.
 - b. Choose **Software & Manuals**.
 - c. From the list, choose **PC-ACE Pro32 Software Download** for your line of business.
 - d. Read the instructions and then click on **Download Form for PC Ace Pro 32**.
2. Complete all of the form fields completely and correctly. Note: Forms submitted with missing required information will not be processed. Required fields are noted in the following table with an asterisk (*).

Form Field Name	Instructions for Field Completion
Submitter ID*	The ID that was issued by Palmetto GBA upon completion of your EDI application form. This ID may be referred to as a Receiver ID.
Company Name*	The company name of the entity downloading the software
Contact Name*	The name of the person downloading the software
Mailing Address Line 1	First line of the company mailing address
Mailing Address Line 2	Second line of the company mailing address
City*	City of the mailing address
State*	State of the mailing address
ZIP	ZIP code of the mailing address
Phone	Phone number to reach the contact name
FAX	FAX number to reach the contact name
Email*	The email address for user

3. Double check your information and then click **Begin Download**.
If there is a problem with processing your request form, such as an invalid Submitter ID or information in a required field is missing, an error page will display. Click "Back to Download Request Page" to correct and resubmit the form.
4. After you have successfully submitted the form, a **File Download** dialog box will display. Click **Save** to save the software file to your computer.
5. **Download complete** will display when the download is complete. Click the **Open Folder** button.
6. The file is a compressed "zip" file. Double click on the "PCACEPro32.zip" file to unzip the file. When complete, you may need to refresh your file folder to see the unzipped "Pro32setup.exe" file.
7. Double click on the file name (Pro32setup.exe). The Wise Installation Wizard will initialize and guide you through the installation process outlined in the Installation Instructions.
